

## Tennessee Orthopaedic Society Preferred Business Partner Program

The Tennessee Orthopaedic Society (TOS) invites all companies to participate in a unique partnership that extends the traditional sponsorship opportunities into a more comprehensive relationship that focuses on collaborative efforts and mutually beneficial strategic programs.

The **TOS Preferred Business Partner Program** will be a resource connecting TOS members with corporate partners who have special offers, discounts or services they are willing to provide in exchange for promotion of these services. TOS will not provide endorsement of any product or service offered, but agrees to post information and encourage membership to utilize our Preferred Business Partners on a regular basis.

**Preferred Business Partners will pay an access fee of \$750 to participate in the program.**

Preferred Business Partners offer TOS members special offers, discounts or services, and be listed in a special designated area of the TOS website with their company logo, contact information and description of product/service and special offer. Preferred Business Partners will be granted a non-compete, exclusive membership based on a first-come, first-served basis.

In addition to the website, Preferred Business Partners will also be recognized at TOS events and in electronic communications to our members.

For more information, please contact [brianabaker@bellsouth.net](mailto:brianabaker@bellsouth.net).

**Example listing:**

ABC Mutual Company Logo	<b>ABC Mutual Insurance</b> Disability Insurance Contact: John Smith email: <a href="mailto:johnsmith@abcmutual.com">johnsmith@abcmutual.com</a> phone: 555.123.1993 <a href="http://www.abcmutual.com">www.abcmutual.com</a>
----------------------------------	--
